

R-4753 - Improvements to N.C. 107

Project Update

Connecting people and places in North Carolina — safely and efficiently, with accountability and environmental sensitivity to enhance the economy, health and well being of North Carolina.

NCDOT is scheduled to begin work on this project, to bring the section of N.C. 107 from North of Old Cullowhee Rd to N.C. 281 in Tuckasegee up to current design standards, in 2016. The project will provide a wider, smoother and safer ride by improving lane and shoulder widths, intersections and realigning specific areas of N.C. 107.

Right-of-way acquisition is scheduled to begin in May of 2015
Construction is expected to begin in December of 2016

A map of the project can be viewed on the NCDOT public meetings website:
<http://www.ncdot.gov/projects/publicmeetings/>

For additional information, contact Brian Burch , Division Construction Engineer at 253 Webster Rd, Sylva, NC 28779, (828) 586-2141 or brianburch@ncdot.gov.
